SESSION VARIABLES USED

`session('yearid')` `session('sectionid')` `session('year_name')` `session('section_name')`

Helper:

`getAcademicYearIdFromSession()`

`getOldStandardId()`

MARKS ENTRY MODULE

Controller: `app/Http/Controllers/MarksEntryController.php`

Features:

- Teacher selects Exam
- Teacher selects Subject Allocation
- Student list loads
- Marks entry available

Completed Validation:

If marks already submitted:

`StudentMark::exists()`

then display:

"UNIT TEST 1 Teacher Assignment is already completed."

and prevent duplicate entry.

Exam dropdown automatically refreshes available subject allocations.
